TD-4000 & TD-4100N
Desktop Barcode & Label Printers

LIGHT INDUSTRIAL THERMAL PRINTERS
FOR LABELS, RECEIPTS & TAGS

Brother™ TD Series desktop barcode and label printers come as complete solutions that include a 4" label printer, label design and print software, and labels to help you get started right out of the box – all this for the price of just the printer! Printing at 300 dpi resolution, up to 4.3ips print speed and featuring a built-in automatic cutter for cutting continuous thermal media to virtually any length on demand, these models deliver the highest performance at a low purchase price. Compatible with Windows® 7 or print from many legacy software applications using a variety of software development tools available from Brother.
